WORK EXPERIENCE

Precision Stone Design

Project Manager

MARCH 2026 - PRESENT

- Manage countertop projects from estimate through installation and final closeout, ensuring accuracy, quality, and on-time completion.
- Coordinate with customers, contractors, designers, fabricators, and installers to review layouts, material selections, pricing, approvals, and project timelines.
- Serve as the primary point of contact by providing product expertise, communicating project updates, and resolving questions or issues throughout the project lifecycle.
- Verify templates, layouts, measurements, seam placement, and fabrication details to minimize errors, rework, and installation delays.
- Prepare and maintain project documentation, contracts, production packets, material orders, and installation schedules while ensuring pricing and records remain accurate.
- Follow up after installation to ensure customer satisfaction, manage project closeout, and maintain Precision Stone Design's quality and service standards.

Remodelers Mart, Hillside, IL
