WORK EXPERIENCE

Design Intern 2026 - Present
Cooper's Hawk, Downers Grove, IL

- Ordering products and samples to expand knowledge of manufacturers
- Communicating with vendors and product reps about samples to source the best options
- Putting together drawings in Autodesk AutoCAD
- Observing development team meetings to gain a better understanding of project scope and design work

Service Advisor 2022 - 2024
Aritzia, Oak Brook, IL

- Communicated with clients about the products they were purchasing and gave recommendations of the store's products resulting in more frequent clientele
- Organized the service counter as well as keeping the surrounding areas neat and aesthetically pleasing
- Placed various orders and holds for clients in-person or over a call and retrieved available items

Team Member 2021 - 2022
TCBY, Willowbrook, IL

- Lead cashier with experience providing exceptional customer service while managing inventory and ensuring accuracy
- Greeted incoming customers to build a positive environment for guests
- Led and trained new Team Associates by teaching them opening and closing tasks as well as everyday up keeping in order to provide an efficient work environment
- Deposited cash and retrieved invoices at the end of the day in preparation for next-day operations
