KERI MACROY

INTERIOR DESIGN

SUMMARY

Interior Design graduate with experience leading student organizations and contributing to collaborative design initiatives. Brings a thoughtful, organized approach to concept development, material selection, and presentation. Motivated by professional growth and creating interiors that support how people live, work, and connect.

WORK EXPERIENCE

INTERIOR DESIGN INTERN

M House Development (June 2026 - Present)

- Draft and revise residential CAD drawings and technical documentation to support custom home design and construction
- Source and select furniture, finishes, lighting, and materials for luxury residential design projects
- Conduct site measurements and document existing conditions and construction progress
- Maintain the material library and coordinate product samples and project materials

INTERIOR DESIGN STUDENT AIDE

College of DuPage (August 2025 - May 2026)

- Managed program updates and social media content to strengthen departmental communication
- Coordinated and managed the material library and sample resources
- Supported faculty and students through software model preparation and printing
- Assisted with event coordination and preparation for program activities

DESIGN STUDIO SPECIALIST

Pottery Barn Kid's & Teen (May 2023 - August 2025)

- Assessed client needs and developed décor and layout recommendations
- Communicated order updates, shipments, and product information to clients
- Collaborated with team to enhance store operations and the client experience
- Received Pottery Barn President's Club Bronze and Platinum awards; top seller in store, 2024

INTERIOR DESIGN INTERN

Sarah Coe Design (December 2023 - April 2024)

- Organized and updated design samples to ensure accurate placement
- Assisted upper management with design updates and meetings
- Maintained store inventory, pricing, and showroom organization
